

# Know the Stroke Signs:

**B - Balance**

**E - Eyes**

**F - Face**

**A - Arms**

**S - Speech**

**T - Time**

Did you know May is National Stroke Awareness Month? Join Cleveland Clinic experts at the “**Know the Stroke Signs: BE FAST!**” program as they discuss how to control your risk factors, and teach you how to recognize stroke signs and respond appropriately to this emergency situation.

**FREE** blood pressure screenings and stroke assessments will be offered at each of the sessions listed below:
